WHO WE ARE

Welcome to School Solutions, where we understand the unique challenges faced by the education sector through our extensive experience working in schools.

We are dedicated to transforming educational environments with high-quality, performance-driven products at affordable prices. Our mission is to enhance classroom engagement through ergonomically designed furniture that promotes physical readiness among both students and teachers.

For students, our products encourage strong posture, helping them stay attentive and focused. For teachers, our innovative designs facilitate mobility, fostering increased interaction with students and creating a more dynamic and engaging teaching and learning environment.

WHAT PEOPLE SAY

Massey High School purchased the School Solutions Zen Chair, and Zen Desk. Students and staff have commented on the great design, comfort, and most importantly for a secondary school – it's ruggedness. The design of the chair and desks fits well with the rigours of daily life in a New Zealand school. School Solutions have found a great balance with these products around quality and affordability. We are already looking at a follow up order.

Alastair Fairley

Principal, Massey High School

Hutt International Boys School recently purchased the School Solutions Outdoor Bins. From ordering through to delivery, we have been very impressed with the customer service. The quality and affordability of the School Solution Outdoor Bin is far superior to anything we attempted to source elsewhere.

Tom Gordon

Principal, Hutt International Boys School

The Inspire podium has become a game changer for us.

Penny Weekly

HOF Mathematics, Westlake Boys High School

CLASSROOM FURNITURE

Desks and chairs hardened for daily classroom use, designed to keep students grounded, upright and facing the front of the class.

ZEN STUDENT DESK

- Dimensions** 700mm(w) x 500mm(d) x 760mm(h)

Principal, Massey High School

HOW WE WORK

WHAT SETS US APART

All our products have been designed by a property manager with years of experience in the sector, and an in-depth understanding of the performance requirements of furniture and products in the school environment.

COLOUR AND CUSTOMISATION

All our products can be customised, including colour options. Just let us know your preferences and we will work with you to deliver on your needs.

DELIVERED TO YOUR SCHOOL

We ensure a hassle-free experience by delivering your furniture directly to your school, and we work with your property team to ensure the delivery experience is positive and supportive.

HOW TO GET THE MOST VALUE OUT OF SCHOOL SOLUTIONS

The more you buy, the more you save. Keep in mind that we have some minimum order quantities to navigate, and this is all in the spirit of saving you money.

LEAD TIMES

Our goal is to secure high quality products at more affordable prices, so this can mean lead times vary between 8 to 12 weeks. We make sure your patience is rewarded by handing those savings over to you.
